EDUCATION

B.Tech - Electronics and Computer Science (Pursuing)

Shah and Anchor Kutchhi Engineering College

2023 - 2027

SKILLS

- C, C++, HTML, CSS, JS, Python
- Applied AutoCAD skills in academic
- Teamwork
- Leadership
- Effective Communication
- Critical Thinking

LANGUAGES

- English
- Hindi
- Marathi

ABOUT ME

I am a third-year engineering student specializing in Electronics and Computer Science, with a keen interest in programming, and circuit design. I have a foundational understanding of AutoCAD and enjoy applying technical knowledge to solve real-world problems. Eager to explore internship opportunities to gain hands-on industrial experience and enhance my skills. Committed to continuous learning and teamwork.

ACADEMIC RECORD

- Engineering Semester 1 CGPA - 6.22
- Engineering Semester 2 CGPA - 6.70
- Engineering Semester 3 CGPA - 7.82
- Engineering Semester 4 CGPA - 7.36
- MHT-CET - 68.8122%ile
- HSC Board - 64.17%
- SSC Board - 87.20%

PROJECTS

- **Smart Car Parking System** -
 - Built a Smart Car Parking System using Arduino and ultrasonic sensors to detect vehicle presence.
 - Implemented real-time slot availability display and automated gate control using a servo motor.
- **PurePick (Online Grocery Delivery Website) :**
 - Built PurePick, an online grocery delivery website with HTML, CSS, and JavaScript featuring homepage, products, stores, deals, cart, and integrated payment gateway.
 - Developed backend using Google Apps Script for data handling, order management, and smooth interaction between front-end and server.
 - Implemented a responsive and user-friendly UI ensuring smooth navigation across all pages and devices.
- **ElectroMart (Online Electronics Shopping Website) :**
 - Built ElectroMart, an online electronics shopping platform using HTML, CSS, and JavaScript with pages for homepage, product categories, deals, cart, and payment options.
 - Developed backend using Google Apps Script to manage product data, user actions, cart updates, and order processing.
 - Designed a responsive, fast-loading UI for smooth browsing and improved user experience across devices.

CAMPUS INVOLVEMENT

- Event Cohead - College Fest, Pratishtha
- Event Head - College Fest, Pratishtha
- Volunteer - NSS SAKEC

WORK EXPERIENCE

Fresher :

Eager to apply academic learnings in a real-world setting and gain hands-on industrial experience. Passionate about continuous learning and contributing effectively to team projects.
